Introducing DJ Monitor.

With its roots firmly embedded in Dance Music, DJ Monitor has been successfully monitoring DJ Sets and Live Performances since 2005 on thousands of events, clubs and radio stations around the world.

Now DJ Monitor adds more products to its portfolio:

Monitoring live music sets, radio shows, TV commercials, online streams, podcasts, social networks, mobile apps, filehosters, newsgroups & torrents out of our unique database containing millions of international songs of all genres.

DJ Monitor identifies music for rights monitoring purposes as well as for live playlists through social media with artist information and instant legal downloads.

Our technology enables hundreds of thousands of artists & composers worldwide to get remunerated through their collecting society.

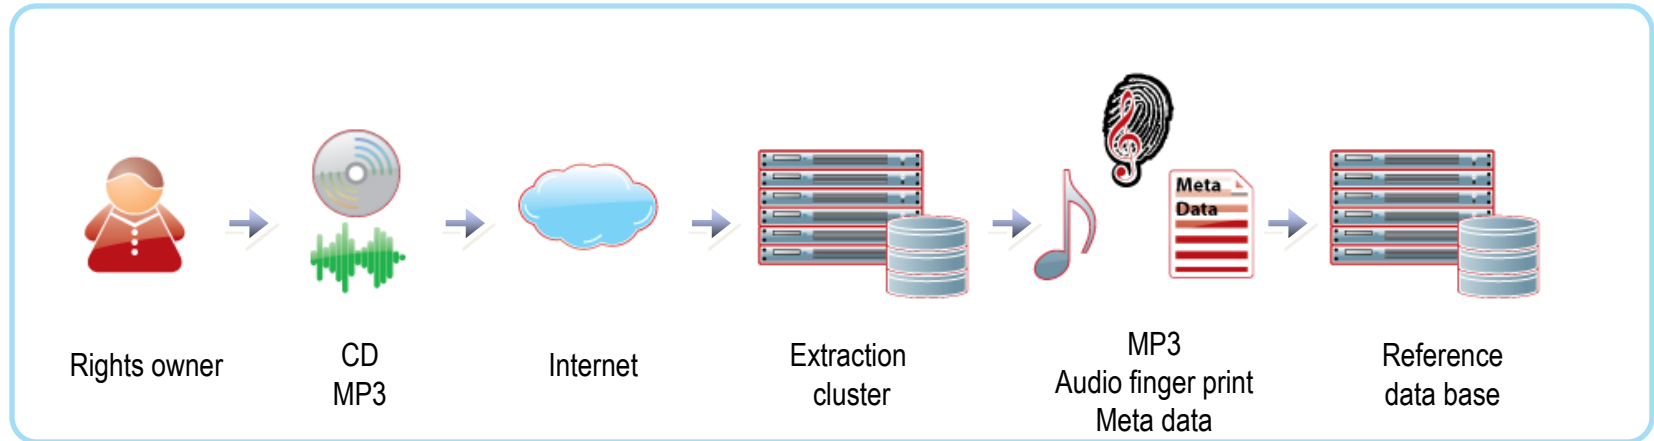

DJ Monitor also provides a platform to music fans for playlist information and legal music downloads through social media such as Twitter and Facebook.

Uploading music to our database by rights holders is free!

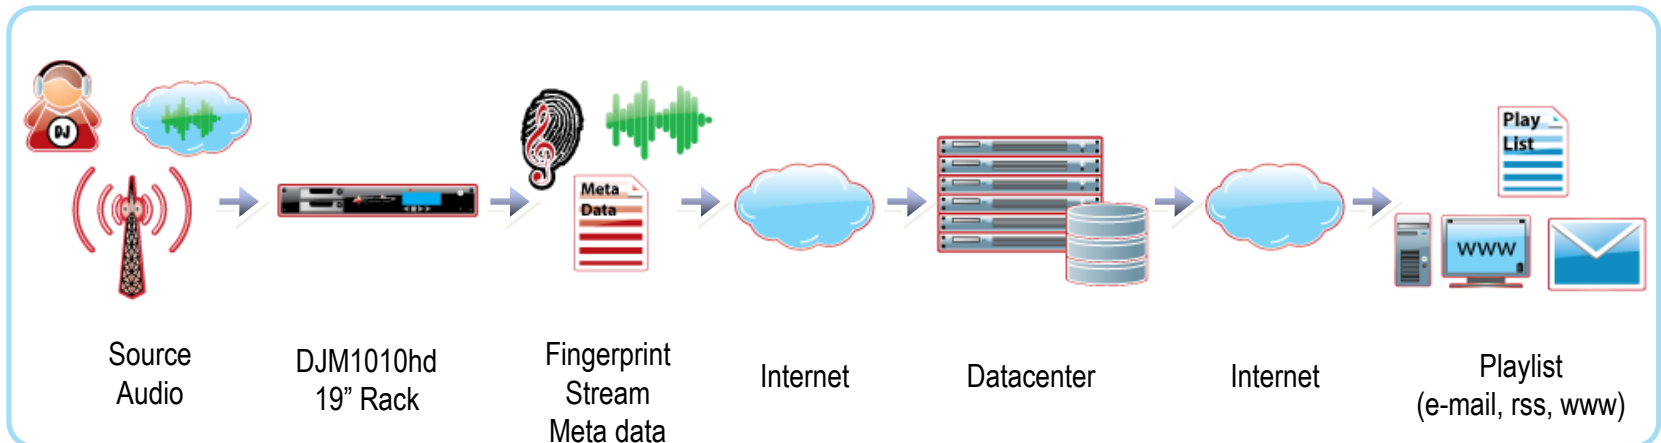

DJ Monitor is operating out of Amsterdam, Barcelona, London & Melbourne.

Born and raised in Detroit, Quentin Harris came of age inspired by many of the legends of his hometown. Motown, Prince, P-Funk and of course, early techno instilled in Harris, a love of all forms of music. Today, he is recognized as one of the leaders in the field of deep house. It has been said that his work re-vitalized what had become a saturated and tired genre. Indeed Harris resists the very notion of working within genre parameters.

Music Reporting – social playlists

The image shows a screenshot of a Twitter profile for the user 'djmonitor'. The profile is titled 'DJ Monitor Live' and features a circular logo with a stylized 'd' and 'm'. The tweets are a series of updates from October 22nd, each reporting a live music set. Each tweet includes the text 'Now playing @ #Stealth Live #ADE' followed by the track name and a link to a playlist. The tracks listed are: Roger Sanchez - 2gether (Tiko's Groove Mix), Picco - Yeke Yeke (Michael Mind Remix Edit), Danny Dopamine - In The Dark, Wally Lopez - Rocking Year, Heart Of Space - Free To Love (Electric Noise Remix), Vocal House - Hey Hey (Df's Attention Vocal Mix), Dennis Ferrer - Hey Hey (Radio Edit), and Criminal Vibes - Bring The Beat (Hot Mix).
